Work Experience

Web Designer & Developer / Web Project Manager

Advantage Media - Forbes Books / November 2018-October 2022

➤ Designed websites to market members' books published in our agency using Adobe Illustrator and Adobe XD.

➤ Developed custom websites using Wordpress child themes and responsive frameworks with special attention to use of the plugins, ACF, Gravity Forms and Yoast SEO.

➤ Created and implemented standard operating procedures for Web Team and held weekly bi-weekly meetings with Account Managers to update on the status of the project.

➤ Managed multiple web projects at a time from start to finish with focus on maintaining the timeline and scope of the project based on client needs.

Web Developer

Levelwing / November 2017-November 2018

➤ Built and maintained responsive web templates using HTML, CSS, Javascript, jQuery and PHP.

➤ Assisted in the design and development of websites for national and international clients.

➤ Utilized CSS frameworks, Javascript templating engines, or Wordpress as required based on client needs.

Adjunct Professor - Web Design

Trident Technical College / August 2017-Present

➤ Developed and instructed various courses among the Visual Arts Department, particularly in Media Arts and Web Design.

➤ Worked individually with students to improve understanding of course material and gave in depth feedback for course grades.

➤ Kept up with new and upcoming technologies to present to students with a focus in web design, HTML and CSS.
