- Certified SAFe 6 Agilist (Scaled Agile)
- ICAgile Certified Professional Agile Coaching (ICP-ACC, SoftEd)

Work Experience

Senior Scrum Master

Booz Allen Hamilton / March 2023 - June 2025

- Championed the implementation of Scrum across 5 cross-functional teams to drive high performance and continuous improvement.
- Managed all core Scrum ceremonies while ensuring all team risks, impediments, and blockers were detected, communicated, and resolved in a timely manner.
- Used Jira Dashboards to track project performance, provide data driven updates to external stakeholder team, and collaborate with RTEs in PI planning and level of effort estimates.
- Led end to end project delivery, ensuring timely and high-quality execution across multiple concurrent initiatives.
- Supported Product Managers in roadmap planning and backlog prioritization.

Web Developer / Technical Project Manager

Forbes Books - Advantage Media / November 2018 - October 2022

- Implemented process changes that accomplished a 50% increase in productivity.
- Facilitated bi-weekly meetings with Account Managers to provide updates on the status of the project, assess any risks or blockers, and address any lingering questions to stakeholders.
- Managed 4-7 web projects at a time throughout life cycle with a focus on maintaining the timeline, budget, and scope of the project.
- Built and maintained responsive web templates using HTML, CSS, Javascript, jQuery and PHP in accordance with industry standards to increase target audience engagement.

Adjunct Professor of Web Design

Trident Technical College / August 2017 - March 2023

- Developed customized learning plans among the Visual Arts Department with a focus in Media Arts, Web Design and Development.
- Mentored students to improve understanding of course material while providing guidance and support for successful course completion.
- Optimized student learning by promoting course organization, faculty and student interaction, and a positive learning environment.
